IE FOCUS - 22 December 2014

## Christmas Message

Hello everyone, and Season Greetings!

As you and your families gather to celebrate the holidays, we wanted to take a moment to offer best wishes to you and yours during this Christmas season.

We have many accomplishments to celebrate within ADM(IE) this year, including some divestments activities, progress in Real Property centralization, transformation, and across our many IE programs.

In short, your outstanding contributions continue to make all the difference and we certainly appreciate all that you do every day.

More than ever our Group's efforts are being discussed throughout Defence. This is a true testament that our continued determination to carry out our mandate is appreciated by all levels within DND and the CAF. We are confident that ADM(IE) provides the support that is expected and deserved by the Department. We are convinced that our current business momentum will continue to grow in the months to come.

Now is the time to take stock of the blessings we enjoy and we ask you to take full advantage of this holiday season with your family and friends.

The New Year will soon be upon us and it will be full of positive challenges, so let's be ready to face them together.

Be safe and we look forward to see you all in January!

**Merry Christmas and Happy New Year.**
