

2nd Annual Fallen Sapper Memorial Golf Tournament

All members of the Canadian Military Engineer Branch, past and present, were cordially invited to attend the 2nd annual tournament recognizing our fallen Sappers. Three days of camaraderie, stories told, laughs shared and sections of the forest revisited set the stage for a successful tournament on one of the premier courses in south central Ontario, Timber Ridge Golf Course.

The tournament started with a meet and greet held at the “Fire side Lounge” at the Warrants and Sgts mess on the Base proper the evening of June 6th. Two rounds of golf followed at Timber Ridge and to add an increased level of competition, the first round was played from the whites with medium difficulty pin placements. The second and final day saw participants playing from the blues with difficult pin placements.

Feedback from participants was very positive and indeed the placements did challenge all participants whether they played from the whites, blues or reds.

Weather did not hinder the success of the tournament and in fact the weather could not have been more perfect. Blessed with clear skies and seasonal temperatures, we capped the tournament with a BBQ dinner provided by the catering staff at Timber Ridge. Following the buffet steak dinner, prizes were awarded, raffle winners drawn and trophies presented. This year we raffled off a “Taylor Made” carry bag with proceeds to be donated.

Trophy winners were;

- Most Honest Golfer - Dave Cairns,
- Low Gross first place - Glen Cornect
- Low Gross Second Place - Denis Baril
- Best Overall Foursome
 - Chad Wettlaufer

- Anil Hayne
- Denis Baril
- Dave Carney

Raffle proceeds were \$600 and with a top up after all bills were paid, the organizing committee is donating \$1000.00 to the CMEA to be applied directly to the care and interest of Canadian Military Engineers.

On behalf of the organizing committee, we once again want to thank all of the participants for making this a very enjoyable tournament. Participation was not limited to Ontario as we enjoyed the company and camaraderie of participants from all over Canada including but not limited to Ontario, CFSME and 1 CER Edmonton.

We hope and look forward to another successful tournament this year at a location that has yet to be confirmed and identified outside of the CFB Trenton area.

To all – Chimo from your organizing committee, Brian Hicks, Perry Hulan, Tiffany Bell and Shannon McMurdo.
