

# Title and Locations of Known Published Works on Canadian Military Engineer Topics

---

The following table presents the results of extensive research for Published Works on Canadian Military Engineer Topics in various public and military libraries. These findings are found below grouped under the following categories:

[Broad RCE & CME Topics](#)

[Combat Engineering](#)

[Construction Engineering](#)

[Mapping and Survey](#)

[Firefighting](#)

[Railway Troops](#)

Tunnellers

[Engineering Equipment](#)

[Forestry Troops](#)

[Miscellaneous Topics](#)

These lists are also published online at: <https://cmea-agmc.ca/published-works>.

This is a living document and readers are encouraged to submit new titles to:

## Notes:

1. Corrections, recommendations for additions, and contacts for Private Collections may be made through [History.Heritage@cmea-agmc.ca](mailto:History.Heritage@cmea-agmc.ca)
2. Many of these publications were of limited production and are now available only in person at the indicated Institutions. But some can be borrowed through an InterLibrary Loan arranged by your local Public Library.
3. Code for locations:
  - 1 = LAC
  - 2 = CWM
  - 3 = DHH
  - 4 = Former NDHQ Library. Holdings subsequently dispersed.
  - 5 = CME Museum
  - 6 = CFBCHS
  - 7 = Private
  - 8 = MCE Library
4. Categories are primarily: Combat {Field}, Construction, Mapping, Firefighting and Signals. RCE/CME covers more than one function but is confined to Army. CME is broad Military Engineering coverage both before and after Unification.
5. War Diaries are a primary source of historical material. See: <https://cmea-agmc.ca/find-military-records-former-cme-members> for guidance.
6. Additional searches for books can be performed at: <https://recherche-collection-search.bac-lac.gc.ca/eng/Home/Search>
