These six successful applicants received a cheque for **\$1000** towards their post-secondary academic program.

Applications were evaluated on a number of criteria including academic achievement, financial need, expressed future ambitions, and community involvement.

The call for applications for the **2016 program** will be going out in May 2016 by e-mail. All members of the CMEA are encouraged to take advantage of this opportunity to assist worthy individuals in the pursuit of their post-secondary education.
