

### **CWO Ken McIntyre, CD**

CWO Ken McIntyre was born in Scotland but immigrated to Canada early in life, growing up in Windsor Ontario where he joined the Canadian Armed Forces on Jan, 1983. Started his career in the infantry with the Royal Canadian Regiment and shortly after realized that Engineering was the direction he should take. As a Water, Fuel and Environment Technician. He has spent 35.5 years in the Canadian Armed Forces, currently posted to Real Properties Operations Unit Ontario as the Unit Chief Warrant Officer or RSM.

During his 35+ year career, CWO McIntyre was deployed on many TAV's and Tours. He completed tours in Golan Heights, Israel and then 5 rotations into Bosnia from 1999 -2003, as well as Afghanistan in 2008. CWO McIntyre was also posted to Germany for three years as the Technical Services Officers and Base Construction Engineering Officer which was very demanding work

Due to CWO McIntyre's significant contributions for his work in building esprit du corps and military history with the Unit in Germany he was given the CO CFSU (Europe) Commanders Commendation.

CWO McIntyre spent two year as the Occupation Manager for the Construction Engineers and Fire Fighters were in his spare time he worked on developing the new CAF ACE program for the Construction Engineers which will allow NOT only the CAF members releasing from the CAF but any civilians entering the forces to have their prior learning assessed which will save the members and the Crown time and money.

CWO McIntyre is an active member in the community and the Garrison. He's an avid fitness nut, running and cycling over 200km per week and he also plays golf in his spare time.

A DWD ceremony will be held 1300 hrs, 22 June 2018 at the LCol George Dennison Armoury Warrant Officer and Sergeant's Mess. Congratulatory messages and anecdotes can be sent to
