### Sapper Extract of Heritage Canadiana War Diaries Spreadsheet

The Library and Archives Canada guide at this location [ <http://www.bac-lac.gc.ca/eng/discover/military-heritage/Pages/war-diaries-ship-logs-operations-records.aspx#c> ] outlines a two-step process to access the on-line digitized WW II war diaries

Thanks to David Ryan [ <http://ww2talk.com/index.php?resources/> ] there is a simplified method to access these War Diaries. The following table contains the Royal Canadian Engineer headquarters and unit war diaries that have been extracted from that source. All that is required is to copy the associated Microfilm Reel Number in the Second Column and paste it into the **Search Heritage Canadiana War Diaries** feature at: [http://heritage.canadiana.ca/view/ocihm.lac\\_mikan\\_133700](http://heritage.canadiana.ca/view/ocihm.lac_mikan_133700).
